### **EDUCATION FOR PEOPLE, FOR PETS, FOR THE FUTURE**

#### **Our Mission**

**LED BY INDUSTRY EXPERTS.**  
**DRIVEN BY PASSION.**  
**BOUNDED BY ANIMALS.**  
**GUIDED BY CANDIDATES.**  
**UNITED BY iPET NETWORK.**

#### **Leading the way:**

iPET Network is an Ofqual Regulated Awarding Organisation specialising in qualifications in the Canine and Feline sector. iPET Network is unique in its approach, being a sector specific Awarding Organisation and are constantly developing NEW Canine and Feline qualifications in the industry.

Our Training Providers have exclusive access to brand new qualifications with innovative course design and delivery. We offer an opportunity to leave the norm behind and join a network of forward-thinking professionals. We are continually expanding our network of approved Training Providers across the UK and Europe, giving more opportunities to Candidates and Training Providers alike.

#### **We do the hard work for you – fast, flexible and straightforward:**

We have developed extensive resources and work tasks which have been mapped to qualification criteria. The qualifications are to be delivered on an e-portfolio system or on paper offering flexibility in approach. Our centralised resources make it simple for Training Providers and their Tutors to deliver, manage and mark all in one place. We provide access to training and updates through standardisation meetings (both face to face and remotely) allowing greater opportunity for Training Providers that are further afield.

iPET Network offers a range of packages for our Training Providers to choose from. Our aim is to take the headache out of admin and make the process as streamline as possible from registrations, certifications, external quality assurance visits and much more. Low fees, flexible payment terms and reduced admin time means our Training Providers can save money and time, and focus on running a profitable, professional business.

#### **An exciting and supportive community**

We pride ourselves on creating new and innovative Continual Professional Development (CPD) opportunities by working with the experts in the sector and our Training Providers. Depending on the package you choose, we provide supportive internal quality assurance (a requirement for joining iPET Network is to have a qualified IQA to be able to award qualifications) and ensure that our team are always on hand for support and advice.

We run a Candidate Facebook group where our members can share knowledge, experiences and much more with a network of some of the best groomers and training academies across the globe.

We practice what we preach - every member of the iPET Network team has experience working in busy grooming, day-care and kennel businesses, ensuring our qualifications evolve along with the industry. We believe in removing learning barriers and working with Candidates of all abilities to succeed - no obstacle can't be overcome!
